

# Leviticus: The Way of Holiness

A Bible Study with the Francis Asbury Society

## SESSION 7

*Leviticus 10–15*

1. What was Nadab and Abihu's sin? Why such a radical effect?
2. What is the significance of Yahweh's comment to Moses?
3. Why was Aaron not allowed to mourn?
4. When you look at the clean and unclean animals (11:1–43), can you find anything in common among them?
5. How do 11:44–45 relate to these commands?
6. How does 12:7 help to explain the uncleanness of birth? Look at chapter 15 in connection with chapter 12.
7. Why do spreading skin diseases make a person unclean (13:1–46)?
8. Why does mold render something unclean (13:47–59)?

9. Notice the complexity of the rituals to make atonement for skin diseases and mold. Why is this, do you think?
  
10. Look at 15:31 and think about it in relation to the event that started this whole series (10:1–7).
  
11. According to Jesus it is what comes out of our mouths from our hearts that make us unclean (Matt 15:10–11). How does that statement relate to what appears here in chapters 11–15? Why does God make so much of this?
