How to Fix My Spouse...

By [Jerry Coleman](#), Director of Speakers

"How to Fix My Spouse...and other expectations that don't quite work." This title of our three-day marriage retreat drew chuckles and piqued interest. Jan and I addressed eleven couples from the Fairfield Glade United Methodist Church (Crossville, Tennessee), several of whom have faithfully attended the Hemlock Inn Retreats FAS hosts

each August. The couples had been married from 5 to 63 years with a total representation of 520 years of marriage! One would think we "knew it all" with all that experience, but we learned that there are always opportunities for more depth and growth—even after many years of marital bliss. [Read more...](#)

One Revival's Impact: "The Rest of the Story"

By [Lane Loman](#), FAS Speaker

In May 2018, Gretchen and I conducted revival services at First Church of the Nazarene in Jackson, Ohio. As always, it was a joy for us to be a part of a movement of the Holy Spirit that could impact people for the rest of their lives. While having Sunday lunch with Pastor Steve Queen and his wife, Michelle, I learned that revival services had impacted their lives personally as well. What was surprising was "the rest of the story!" Like a Fully Fed Cow

By Jerry Coleman, Director of Speakers

“Blessed are those who hunger and thirst for righteousness, for they will be filled” (Matthew 5:6).

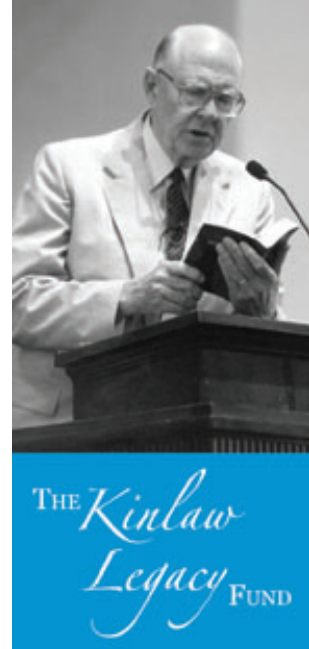

In the May 2018 issue of *Light + Life Magazine*, published by the Free Methodist Church - USA, Jerry's article, "Like a Fully Fed Cow," discusses what it's like to be really hungry and then how Jesus really fills us. [Read the article...](#)

Remembering Dr. Dennis Kinlaw

By Charlie Fiskeaux, Assistant to the President for Development

When you remember Dr. Dennis Kinlaw, what immediately comes to mind? An engaging conversationalist who expressed personal interest in you, an insightful Bible teacher, a committed college president, a passionate evangelist who promoted Biblical holiness.... You have your own unique remembrances of how your life intersected with Dr. Kinlaw's. For the Francis Asbury Society, Dr. Kinlaw was not only the founder—along with Dr. Harold Burgess—but also the leader and pattern for our efforts in evangelism, writing and publishing, discipleship, and promoting a network of *like-minded* believers through the Covenant Fellowship.

While all of us hold Dr. Kinlaw in high regard and want to maintain his legacy, the Francis Asbury Society is committed to the central message that he consistently promoted throughout his ministry; that is, that we can live “wholly devoted to God.” The Kinlaw Legacy Fund supports speaker-evangelists who continue to “go and tell” this Scriptural message. To date, 82 donors have remembered Dr. Kinlaw with a contribution to the Kinlaw Legacy Fund. To make your online donation now, click [here](#)., and then choose "Kinlaw Legacy Fund" in the Fund Designation dropdown box.

We thank you for your gifts of prayer as well as donations.
